College with Potential for Excellence
Accredited by NAAC

North Lakhimpur College (Autonomous), established in 1952, has successfully carved its niche in the arena of higher education in Assam. Committed to raising standards of higher education, the college intends to equip the learners with sound theoretical knowledge, adequate practical exposure and develop in them the capacity to think. Probably it is the recognition of such efforts that the college was awarded the prestigious ‘A’ grade by the National Assessment and Accreditation Council (NAAC). The founders aspired to enhance socio-cultural development of various ethnic groups, create scientific temperament, enhance employability of students and promote gender equality. Immensely concerned about the welfare as well as the intellectual and ethical development of the students, the institution provides value education, coaching and remedial classes besides establishing forums for community development and extension activities, establishing Equal Opportunity Centre, Women’s Studies Centre etc. The college is committed to raising standards of higher education in this part of North Eastern India and for us, offering high quality teaching is more than just a priority; it is our raison d’etre. The University Grants Commission was also conferred the status of College with Potential for Excellence (CPE) to the college in 2010 for a period of 5 years, further extended up to 2019. We are also the first autonomous college of the state.

At present the College offers graduate level courses in Arts and Science in twenty (20) subjects besides the self-financed B.P.Ed., Mass Com., B.C.A and P.G.D.C.A. programmes. Based on the need, new courses at UG level have been introduced. The college has started PG programmes in Assamese, Electronics & Communication Technology, Political Science, Chemistry, Mass Communication and Physical Education from 2014 and 2015. The college has also started two courses on Sericulture, Office Automation, e-governance under UGC Community College Scheme from this session and B.Voc. courses in traditional aperal designing and marketing and mobile technology and cloud computing. Certificate and short term modular programmes are offered as value addition. Thrust has been given to relevant knowledge, skills, value addition and value based education leading to overall personality. There is very little scope for an affiliating college to develop new programmes as the academic authority rests in

The demands of the students. The college library and facilities. The Arts Building is being extended to meet the needs of class rooms, well-equipped laboratories, library and infrastructure facilities for academic, administrative and computer facilities are easily accessible to students and faculty members. The college library has adequate space with reading room facility for students and faculty, issue counter, stack room and bound volume room. Facilities like touch screen computer, visual book display presenter, photocopier, scanner etc are available in the library. A retail outlet selling related materials and books is also functional. The college playground has been given a face lift and an indoor stadium is in place for sportsmen, stadium is there in place for sportsmen. The college strongly believes that its primary stake holders are students. It also understands the geographic, socio-demographic, economic and educational background of the people of this region. The college intends to provide quality education to all keeping in view the intelligence and economic status of the students. Whereas special remedial classes are organized for the academically poor students, the economically vulnerable but meritorious students are provided free admission and other in house scholarships.

North Lakhimpur College strictly adheres to the basic directives of U.G.C. for providing equal educational opportunities to differently-able persons. To boost the morale of the students, the institution itself offers various scholarships and awards to recognize meritorious achievements of the students in different fields apart from the scholarships received by the students from central and state government as per the government rules. The college also maintains a ‘Student Aid Fund’. A Career and Counseling Cell has been established for offering free career counseling to students and also for guiding the young minds to understand their strength by providing them with requisite know how of the emerging trends in different fields. The authority is leaving no stone unturned to guarantee that the College improves the existing infrastructure so that it can keep pace with the global trends whether it be in the field of research work or to enhance the quality of the teaching-learning process. Congenial academic atmosphere in a pollution free campus, introduction of innovative, self financing and industrial courses, ICT enabled teaching-learning practices, adequate infrastructure, library and other resources, good hostel facilities for both boys’ and girls’, good teachers’ quality, transparent admission and enforcement of reservations, good results and good sports facilities are some of the key factors that attract the university students and stakeholders to North Lakhimpur College. It is the intention of populace welfare that makes life genuinely successful. It has been the objective of North Lakhimpur College to inculcate a deep sense of populace welfare among the students in the pursuits of their ambition. This college, passing through its 66th year of dedicated service to the society and being accredited with thousands of its successful alumni, is revered for its proud contribution in different walks of life. With equal pride and renewed vigour, it prepares to receive you in the next academic session 2019-20. I heartily welcome all of you. I would specially like to thank those coming to the college for their post graduation. I am hopeful that we shall be able to do justice to your expectations on us.

The zest of life rests on some ambition. A man, with a lofty aspiration to pursue, works in right earnest, finds joy in his effort and struggle and becomes successful eventually. All the great people who are born in the earth have been the stern followers of their respective ideals in order to pursue and attain their sublime goals. The sublimity of the life depends on the sublimity of its aspiration. If our aspiration is higher, the quality of our life will be better, but, again it depends upon the nature of intention beneath the aspiration. Truly, it is the sublimity of aspiration coupled with intention of populace welfare that makes life genuinely successful. It has been the objective of North Lakhimpur College to inculcate a deep sense of populace welfare among the students in the pursuits of their ambition. This college, passing through its 66th year of dedicated service to the society and being accredited with thousands of its successful alumni, is revered for its proud contribution in different walks of life. With equal pride and renewed vigour, it prepares to receive you in the next academic session 2019-20. I heartily welcome all of you. I would specially like to thank those coming to the college for their post graduation. I am hopeful that we shall be able to do justice to your expectations on us.

Everything is achieved through hard work when it is done with perseverance. Therefore, I ask all of you to be persistent in your hard toils in the pursuit of your ambition so that you can enhance the lustre and glory of this college. Here, I take the opportunity to congratulate the present students on their success in different fields and convey my heartfelt thanks to the faculty members and the office staff for their unflinching and dedicated service to the college. It would be improper on my part if I do not acknowledge the efforts of each and every member of the college family and the stakeholders and well wishers whom the coveted ‘A’ grade awarded by NAAC, Bangalore, UGC Phase-II states from UGC would have remained a distant dream. However, there is still a lot more to achieve and I am hopeful that in the new session our college will climb great heights of glory.

Choice Based Credit System (CBCS)

As approved by the Governing Body as per suggestion of the 4th Academic Council Meeting held on 25th June, 2016 vide its Resolution No. 9, North Lakhimpur College (Autonomous) is going to introduce Choice Based Credit System (CBCS) in the Under Graduate Academic Programmes from the current session 2019-20.

Grading System

- The absolute grading system shall be applied in evaluating performance of the students.
- The scale of grading system shall be governed by the North Lakhimpur College (Autonomous) Examination Ordinance.

Under Graduate Programme

Course Structure

The Course Structure of the Academic Programmes under the CBCS shall be as per the Course Structure given in Annexure I. The nature of the Courses for all Under Graduate Academic Programmes shall be as below:

CORE COURSES

Compulsory components of an Academic Programme. These Courses are to be compulsorily studied as a core requirement for the programme. The contents of the Core Courses shall be as per the UGC guidelines.

ELECTIVE COURSES

Elective courses shall be chosen by each student from a pool of courses. These courses may be intra-departmental, i.e. Discipline Specific Elective (DSE) as well as inter-departmental, i.e., Generic Elective (GE). The students shall have to choose minimum number of DSE and GE in every semester as prescribed in the Course Structure. These courses shall be:

(i) supportive to the discipline of study
(ii) providing an expanded scope
(iii) enabling an exposure to some other discipline/domain
(iv) nurturing student proficiency/skill

There shall be a basket of Elective Courses having equal number of credits. For the students of the same discipline/subjects opt these electives shall be considered as inter-disciplinary and shall be called GE courses. The College may time to time fix relevant criteria for choosing the GE courses.

ABILITY ENHANCEMENT COURSES (AEC)

The Ability Enhancement Courses shall be of two kinds- “Ability Enhancement Compulsory Courses” and “Skill Enhancement Courses”. These courses shall be inter-disciplinary in nature. “AEC” Courses are the courses based upon the content that leads to Knowledge enhancement.

i. Ability Enhancement Compulsory Courses (AECC):
   (a) Environmental Science (4 Credit),
   (b) Communication English (2 Credit) and
   (c) Communication Hindi /MIL (2 Credit).

ii. Skill Enhancement Courses (SEC): (minimum 2 for honours courses and 4 for non-honours courses): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on/ training/fieldwork. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability. The list provided under this category are suggestive in nature and the concerned Department has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need. The List of Skill Enhancement Courses (SEC) are given as Annexure II.

Grading System

- The absolute grading system shall be applied in evaluating performance of the students.
- The scale of grading system shall be governed by the North Lakhimpur College (Autonomous) Examination Ordinance.
