### **Brief on Skill Hub Initiative:**

The National Education Policy (NEP) 2020 has recommended incorporation of vocational skills into School and Higher Education curriculums so that students can design their own paths of study and life plans. To mainstream vocational education, sharing of infrastructure and developing well-defined pathways for students to continue with their chosen academic-vocational pursuits, an initiative for creation of Skill Hubs across the education and skill ecosystem has been proposed to actualize the intent on the ground.

### **Roles of Training Partners (TPs):**

1. TPs need to ensure that their Training Centers are Accredited and Affiliated
2. TPs need to ensure that they have ToT certified Trainer
3. TPs need to ensure that they have AEBAS installed for marking candidate, trainer and TC SPOC attendance
4. TPs need to ensure that candidates are mobilized and enrolled as per the job role criteria
5. TPs need to ensure branding is as per mandate
