| Suggestions for improvement of Governance  |               |
|--|---------------|
| 1. Everything is okey  |               |
| 2. no suggession in this regards   |               |
| 3. Good  |               |
| 4. No comments   |               |
| 5. Proper decentralisation Following government regulations properly Motivating teachers efficiently                     |               |
| 6. Need one effective single window software (digital university framework) for all the activities of college.           |               |
| 7. The Principal should handle the office more effectively   |               |
| 8. Effective measures are needed to improve quality  |               |
| 9. NA  |               |
| 10. E-Governance shall be encouraged more.   |               |
| 11. Digitalization of the office work is needed.   |               |
| 12. Administration must be improved for the betterment of the institution  |               |
| 13. Nothing  |               |
| 14. Each and everyone should work together for the development of the institution, the opinions are important, they shou | ld be marked. |

| Suggestions for improvement of Governance   |
|---|
| 15. Good  |
| 16. No suggestion   |
| 17. No, thank you.  |
| 18. Proper balance in distribution of works needs to be ensured. Declining trend of proper and regular class is observed. Nobody notices irregularity of classes except the first class in the morning. |
| 19. Opinions of all stakeholders ought to be respected, more transparency need be aadopted  |
| 20. Ok  |
| 21. Hope for more effective   |
| 22. Satisfied by the governance process   |
| 23. Automartion should be started   |
| 24.   |
| 25. The administration should follow the existing rules and regulations first   |
| 26. Office needs to be improved   |
| 27. None  |
| 28. Nothing   |
| 29. More effort needed to become best   |
| 30. IQAC should be more dynamic   |
| 31. The administration are giving their best effort for the smooth running and development of the institution.  |
| 32. Concern should be to build a robust mechanism that provides adequate curricular and extra curricular opportunities rather than a fragile widespread framework                                       |
| 33. Student employee relations needs improvement.   |
| 34. Improvement is needed in the administration somehow that can help to established a non bias, free environment .   |
| 35. Satisfactory  |
| 36. systematic working and creating good positive work environment can govern a strong administration.  |
| 37. Democratic governance need to be appreciated  |

 38. Need discussion with all stakeholders for improvement of Governance

 39. Cofreindly environment

 40. No comment

 41. Need to improve administration

# Teacher's Admission and Evaluation Process Ratings

| รเ      | Question  | AVG  |
|---------|---|------|
| 1       | The admission process adopted by the College is effective                             | 7.93 |
| 2       | The College is able to attract meritorious students                                   | 8.55 |
| 3       | The examination system followed by the College is effective                           | 8.93 |
| 4       | The process of verification of answer scripts carried out by the college is effective | 9.27 |
| 5       | The evaluation system followed by the College is effective                            | 9.09 |
| 6       | The functioning of the Office of the Controller is satisfactory                       | 9    |
| Average |   | 8.8  |

| Your suggestio    | ons for improving the admission and evaluation process  |
|-------------------|---|
| 1. Everything is  | s fine  |
| 2. major wise ei  | ntrance exam can be followed for maritorious students.  |
| 3. admission sh   | nould not be based only on HS marksheets  |
| 4. Admission fo   | or ug level should be through Departmental entrance exam which give more better output.                 |
| 5. The question   | n setters should send the answers of multiple type questions.   |
| 6. None           |   |
| 7. Merit list sho | ould be on the basis of marks obtained by student in the subjects he/she wish to take in degree course. |
| 8. 1. Departmer   | ntal entrance test should be introduced 2. Needs more involvement of external evaluators                |

| 9. Counseling should be done before admitting a student into a particular department                             |
|--|
| 10. We can try to limit the admission  |
| 11. NA   |
| 12. Online assignment submission should be adopted.  |
| 13. I think for the accomplishment of effective evaluation, provision of Head Examiner shall be introduced soon. |
| 14. Cut off marks for admission may be introduced for quality input  |
| 15. Nothing  |

| Your suggestions for improving the admission and evaluation process   |
|---|
| 16. It should be more focused and practical.  |
| 17. Very Good   |
| 18. No suggestion.  |
| 19. No thank you.   |
| 20. 1. Introduction of entrance test interview.2. Exclusion of some poor evaluators. 3. Uniform standard in question paper setting  |
| 21. The best also can be improvised.  |
| 22. Ok  |
| 23. Ok  |
| 24. Disciplined process in admission and evaluation.  |
| 25. The admission process needs improvement   |
| 26. 1.Entrance test can be conducted by departments for admission. 2.External evaluators can be employed for evaluation process. 3. Examination should not be conducted too early than University affiliated colleges thus giving students more time learning time. |
| 27. Enrollment of students should follow the teacher student ratio of semester system   |
| 28. Admission procedure must be improved  |
| 29. Need improvement on admission system  |
| 30. Admission process needs to be changed   |
| 31. Exam related matters such as moderation, scrutiny, examining scripts no longer remains confidential. Teachers try to give out the important topics, even questions after moderation which is a very bad practice in my view.                                    |
| 32. Examination process should be on the basis of entrance exam   |
| 33. Entrance exam for admission is required .   |
| 34. Common Entrance Test at the Institutional level, not at the department level  |
| 35. College may arrange special Examination for back papers within short duration after the declaration of result.  |
| 36. The admission process, evaluation and functioning of the office of the controller is quite satisfactory and effective. And hope that it will run smoothly and helpful for the students and for the institutions as well.  |
| 37. Focus should be given on peer assessment and formative assessment   |

38. A counselling and guidence is to be imparted to aspiring candidates before admission by each department and then on recommendations of

department s admission should be given to students.

39. Adoption of entrance test for both UG and PG admission.

40. Admission and evaluation process are very good, proper orientation program can motivate teachers to give their best towards proper evaluation of the students and it can bring positive impact towards admission.

41. 1. Answer Script Evaluation Board or System of Head Examiner should be formed for effective evaluation procedure.

42. Need councelling of students before admission

43. Good

44. Satisfactory

# Teacher's Curriculum Ratings

| รเ      | Question   | AVG  |
|---------|--|------|
| 1       | The system followed by the College for the design and development of curriculum is effective   | 8.79 |
| 2       | The curriculum has been updated from time to time  | 9.24 |
| 3       | Board of studies is taking care to ensure the adequacy and relevance of the programmes offered | 8.95 |
| 4       | Freedom to contribute your ideas on curriculum design and development                          | 9.13 |
| 5       | Your degree of satisfaction with the present curriculum  | 8.97 |
| Average |  | 9.02 |

# Avarage Report

Ratings

| Suggestions for improvement in curriculum design and development                        |
|---|
| 1. Everything is satisfactory   |
| 2. no suggession  |
| 3. No comments  |
| 4. to insist on best inputs & best processing   |
| 5. Need programe learing outcome from each course learning objective                    |
| 6.  |
| 7. NA   |
| 8. CBCS course is very vast, sometimes become difficult to complete within one semester |
| 9. Importance should be given on the employability aspect of the curriculum.            |

| 10. Nothing   |
|---|
| 11. We should be up-to-date.  |
| 12. Good  |
| 13. No suggestion   |
| 14. No. Thank you   |
| 15. Faculty members should enjoy more freedom than the nominees from outside in the BoS |
| 16. Need go keep pace with changing needs and updation                                  |

| Suggestions for improvement in curriculum design and development   |
|--|
| 17. Ok   |
| 18. In-Semester marks should be increased and more practical oriented.   |
| 19. Satisfied by the curriculum of the institution   |
| 20. BoS is performing well   |
| 21.  |
| 22. More discussion is necessary for up graduation   |
| 23. Needs to be improved   |
| 24. Board of studies is not taking care of adequacythe people in BOS are from different sectors, they hardly see the syllabus content. Simply inviting them and paying DA /TA is not at all worthy. The syllabus of Masters programme in our dept is a repetition of what the students studied in CBCS in the three years. No new content nor any updated knowledge which will benefit the students. |
| 25. Nothing  |
| 26. Curriculum is good enough  |
| 27. No comments  |
| 28. The curriculum design should be focus on the needs of the students in order to get the effective results. And all the teaching aids and methods should be used properly as mention in the curriculum.  |
| 29. More emphasis on internship and market oriented contents should be given   |
| 30. Independent skill centre needs to be set up for imparting skill education  |
| 31. Curriculum should be developed time to time  |
| 32. Satisfactory   |
| 33. It should always be students centric   |
| 34. Curriculum should be desined by keeping the needs of local, national and global context. More emphasis on hands-on-practice curriculum.  |
| 35. Need outcome based curriculum  |
| 36.  |
| 37. Satisfactory   |
| 38. Need to improve the curriculum   |

| Your general observations on the College   |
|--|
| 1. Due to uneffective admission procedure students drop out ratio is increasing day by day   |
| 2.   |
| 3. good  |
| 4. Below par   |
| 5. The college is moving ahead with its existing limited resources, and needs to go for more self financed courses to create its own revenue.  |
| 6. Over all the college administration is well managed,, carriculum, teaching learning process all are good  |
| 7. After all the college is a best one for me  |
| 8. Together we can progress towards a better future.   |
| 9. Good  |
| 10. The college is very good   |
| 11. The college has, without any inkling of doubt, haa enough potentialiea which need be explored systematically with ans sense od collective dedication ans concerted efforts by all the stakeholders. Long Live, N. L. College (Autonomous).   |
| 12. It is found satisfactory.  |
| 13. Some of the spheres like library and office need to be improved  |
| 14. Disciplined and well maintained curriculum as well as teaching learning process in the college. Research works by faculty members are highly encouraged in the college.  |
| 15. College lacks in adequate infrastructure regarding the class rooms available. Many departments are facing difficulty in maintaining higher number of admitted students. Moreover number of faculty members should be increased.  |
| 16. Everything is fine   |
| 17. Proper & perfect execution of existing rules of existing system is prime necessary   |
| 18. Good   |
| 19. Excellent  |
| 20. Students abstaining from classes can easily form fillup. There is no count of attendance during form fillup. As a result they fail during exam.the rate of fails is more compared to pass. Also it has come to notice that students take up diploma courses on paramedical sciences while still studying BSC. Is it possible to simultaneously take both BSC and diploma course at the same time? They are confident because they are being allowed to |

21. North Lakhimpur College (A) is a good college. Faculty members are hard-working and sincere. Students are ambitious. Since many

26. With able leadership the college has been progressing in all aspects of higher education.

form fillup BSc in our college.

### Your general observations on the College

27. For overall development of the college, administration should be improved, cooperative atmosphere between teachers and students should be maintained and cleanliness of the college campus should be maintained. There is no adequate no. of class rooms and barrier free, hygienic class rooms. Administration should noticed these points and take necessary action.

28. The college may encouraged students to participate in national level exams like UPSC,CDS etc by taking some awareness activities.

29. My better experience in this college are 1. students are very co-operative 2. They always enjoy with their campus 3. There is a positive knowledge gaining environment 4. Clean campus green campus, everyone take care of it Endless experience

30. A good academic atmosphere is existing till now. For proper maintaining on academic atmosphere internal discipline among students should be created.

31. College has been providing quality higher education in a lagre region of Assam and neighbouring states.

### 32.

33. Infrastructure facility and classrooms need to be enhanced. General observation is good.

34. The atmosphere of the college is very good.

## **Teacher's Infrastructure Ratings**

| รเ      | Question   | AVG  |
|---------|--|------|
| 1       | The class rooms and furniture available are adequate             | 7.29 |
| 2       | The toilets are sufficient for faculty and students              | 6.66 |
| 3       | The labs are adequately equipped (wherever applicable)           | 7.41 |
| 4       | The buildings and furniture are well maintained                  | 7.51 |
| 5       | The infrastructure available in the department is optimally used | 8.27 |
| 6       | Safe drinking water is available                                 | 8.54 |
| 7       | Parking facilities are available adequately                      | 8.32 |
| 8       | Sports infrastructure is adequate                                | 8.8  |
| 9       | Degree of satisfaction with the Canteen services of the college  | 6.2  |
| Average |  | 7.67 |

Avarage Report

# Suggestions for improvement in Infrastructure 1. Safe drinking water for all the department individually. 2. laboratory equipments can be increase as per new syllabus . 3. Good 4. Class room for students can improve more 5. None

6. Digital classroom for each department with all the TLM

| 7.  |
|---|
| 8. NA   |
| 9. More lab and classrooms facility should be provided to the departments. Since the gates remain closed till 1pm, students are bound to eat from canteen. So prices of food should be pocket friendly. It has been observed that sometimes canteen make huge bills in events |
| 10. Having the increase no of students certain departments lacks the necessary infrastructure. The research departments requires more separate reading spaces and isolation. Separate toilatary for Teachers should be available in old arts building.                        |
| 11. No.of digital class rooms should be increased.  |
| 12. Overall Infrastructures must be improved  |

| Suggestions for improvement in Infrastructure   |
|---|
| 13. The faculty toilets are not properly maintend,,   |
| 14. Toilet and drinking water facility should be improve.   |
| 15. Good  |
| 16. Infrastructure is very good   |
| 17. More infrastructure need.   |
| 18. Disparity of infrastructure in the departments of the science and Arts streams must be ended.   |
| 19. Need introspection and active iniation for improvisation  |
| 20. Ok  |
| 21. Satisfactory infrastructure   |
| 22. The canteen service should be made more accessible to the students  |
| 23.   |
| 24. Modernization of classroom facilities necessary   |
| 25. Department wise infrastructure facilities should be provided.   |
| 26. No parking lot for vehicles near political science, botany, adequate classrooms needed with projector fitted in each. Labs are not at all euipped with instruments needed to carry for research projects of Masters programme. No separate lab rooms available. Biotech hub is there in colege, but people are hardly given access to use those which places Teachers in awkward situation. Arts building lack toilets which is a matter of concern, especially female Teachers.Canteen food is worstprice is hig |
| 27. Nothing   |
| 28. Spacious and well ventilated class room and lab are required  |
| 29. Improvements of labs  |
| 30. As the strength of the students are increasing, the equipment are insufficient for the students.Some of the equipments are also damage and need to replace them.  |
| 31. The sports facilities including the synthetic track should be open for all. Toilet blocks should be constructed   |
| 32. Number of computers and accordingly space should be expanded  |
| 33. Infrastructure should be developed more for students convenience  |
| 34. Laboratory of the science departments may make more advance and up to date.   |

| 35. Always consult with specific experience person, before starting the construction. It should be always keep in mind that infrastructure should be<br>in proper place,it will not disturbed by others |
|---|
| 36. Infrastructure should be maintained properly. For each department, facilities of Smart classroom should be provided if possible.  |
| 37. No comment  |
| 38. Need to improve   |
| 39. Needs available toilets   |

# Teacher's Research, Extension and Innovation Ratings

| รเ      | Question   | AVG  |
|---------|--|------|
| 1       | The teachers are encouraged to carry out research                                      | 9.03 |
| 2       | The teachers are encouraged to participate in seminars /workshops/symposia/conferences | 9.11 |
| 3       | The teachers are encouraged to undertake extension service programmes                  | 9.26 |
| 4       | The teachers are encouraged to establish linkage with Industry                         | 8.71 |
| 5       | The teachers are encouraged to take-up consultancy services                            | 8.57 |
| 6       | Degree of satisfaction with the research activities in the college                     | 8.14 |
| 7       | Degree of satisfaction with the extension activities in the college                    | 8.71 |
| 8       | Degree of satisfaction with the innovative practices in the college                    | 7.94 |
| Average |  | 8.69 |

Avarage Report

| Suggestions for improvement in Research, Extension and Innovation  |
|--|
| 1. NS  |
| 2. No comments   |
| 3. More support & menpower required  |
| 4. can take more initiative for extension service  |
| 5. I think with a minimum numbers of faculty with large numbers of student and courses it is not easy to do carried out all the activities |
| 6.   |
|  |

7. NA

| 8. Research based course should be there in the programme to make both teachers and students engage in research. |
|--|
| 9. Nothing   |
| 10. We have to organise more workshops for the awareness.  |
| 11. Good   |
| 12. Very good  |
| 13. Still the thrust areas need be identified for the activities under question.                                 |
| 14. More extension programms should be undertaken on emerging issues of the society.                             |

| VI | reacher's Research, Extension and Innovation Ratings - Class O Clock Feedback  |
|----|--|
|    | Suggestions for improvement in Research, Extension and Innovation  |
|    | 15. Overall research environment is good   |
|    | 16. Laboratory instruments facilities should be more updated   |
|    | 17.  |
|    | 18. Research, extension and innovation activities should be practical utilities  |
|    | 19. No.  |
|    | 20. Improvement is necessary   |
|    | 21. Hardly research is being carried out by teachers , very few are actively engaged in research activities. Teachers should be encouraged to do research which was a big lacuna during last Naac peer visit. For attending seminars, conferences one must be granted leave. |
|    | 22. Teachers should be encouraged for PhD research   |
|    | 23. Nothing  |
|    | 24. Building up a vibrant research environment   |
|    | 25. Extension activities should done once in a week .  |
|    | 26. The non teaching activities of the faculties should be optimized   |
|    | 27. A inn ovation exhibition exhibition festival may be organised for showcasing student and teachers innovation   |
|    | 28. Innovative practices can improve more  |
|    | 29. Industry based research activities may be encouraged in the college.   |
|    | 30. Systematic and scientific study  |
|    | 31. Research and Extension program should be outcome based and futuristic.   |
|    | 32. Need exercise more research and innovative practices   |
|    | 33. Proper tools and technique should be implement for conducting research   |
|    | 34.  |
|    | 35. Satisfactory   |
|    |  |

# Teacher's Teaching and Learning Ratings

| รเ      | Question  | AVG  |
|---------|---|------|
| 1       | Student centric learning resources are available in the College                 | 8.57 |
| 2       | The class work is taking place as per schedule                                  | 9.31 |
| 3       | The faculty members are updating their knowledge and skills                     | 9.17 |
| 4       | The merit of the teachers is recognized   | 8.8  |
| 5       | The teaching aids in the departments are sufficient and up to date              | 8.26 |
| 6       | The library is managed effectively  | 8.2  |
| 7       | The library is utilized optimally by the faculty                                | 8.11 |
| 8       | The library is utilized optimally by the students                               | 8.26 |
| 9       | The Library is a major source of information                                    | 8.09 |
| 10      | The teachers are encouraged to organize seminars/workshops/symposia/conferences | 9.14 |
| Average |   | 8.59 |

| Suggestions for improvement in Teaching and Learning |
|--|
| 1. NS  |
| 2. electronic TLM can be increase more in college.   |
| 3. No comments                                       |
| 4. More space required in the library for students   |
| 5. Learning management system is need of hour        |

Avarage Report

| 6.  |
|---|
| 7. NA   |
| 8. There should be a digital library or the digital resourses should be availble to the students. |
| 9. Nothing  |
| 10. They should get chance to oriented themself time to time                                      |
| 11. Good  |
| 12. No suggestion   |

| Teacher's Teaching and Learning Radings - Class O Clock Feedback   |
|--|
| Suggestions for improvement in Teaching and Learning   |
| 13. To enrol manageable, if not limiter, number of students for effective teaching learning exercise   |
| 14. Should be introduced more Professional/Vocational courses rather than traditional one.   |
| 15. Disciplined maitainance of classes as per schedule.  |
| 16. The library service should be modernised   |
| 17.  |
| 18. Other activities for teachers should be stopped during class time  |
| 19. No   |
