

Annual Quality Assurance Report

Session 2009 - 2010

Internal Quality Assurance Cell

North Lakhimpur College

North Lakhimpur

Assam

Submitted to

**The Director
National Assessment & Accreditation
Council, Bangalore**

Submitted by

**Principal
North Lakhimpur College
North Lakhimpur**

From: Dr. Budhin Boruah, M.Sc Ph.D.
Principal,
North Lakhimpur College
P.O. Khelmati-787031,
North Lakhimpur, Assam

To,

The Director,
National Assessment and Accreditation Council,
2/4, Dr.Raj Kumar Road, P.O. Box No. 1075,Rajajinagar
Bangalore -560010, India

Sub: Submission of “Annual Quality Assurance Report” for the session July 2009
June, 2010

Sir,

As per your instruction, I have the honour to submit herewith one copy of the ‘Annual Quality Assurance Report (AQAR)’ of North Lakhimpur College, prepared by the, Internal Quality Assurance Cell (IQAC) for the academic session 2009 - 2010. The report has been prepared to reflect the goals and objectives of the IQAC.

Yours faithfully,

(Dr. Budhin Boruah)
Principal
North Lakhimpur College

Members of ‘Annual Quality Assurance Report (AQAR)’ Preparation Committee

- 1) Dr. Golok Chandra Dutta, M.A. Ph.D
Lecturer, Department of Botany
- 2) Dr. Nabiul Islam. M.Sc., Ph.D
Lecturer, Department of Chemistry.
Coordinator, IQAC
- 3) Dr. Bhabajit Bhuyan M.Sc ,Ph.D
Lecturer, Department of Chemistry
- 4) Sri. Rupam Gogoi ,M.A.
Lecturer, Department of English.
- 5) Mr. Ranjit Paul M.C.A
Lecturer, Department of Computer Science

Preface

North Lakhimpur College, established in 1952, has successfully carved its niche in the arena of higher education in Assam. Committed to raising standards of higher education, the College intends to equip the learners with sound theoretical knowledge, adequate practical exposure and develop in them the capacity to think. The founders aspired to enhance socio-cultural development of various ethnic groups, create scientific temperament, enhance employability of students and promote gender equality. The college was a fruit of the efforts and untiring zeal of a core group of far sighted persons in particular and the people of the vast region in general with the following goals and objectives in mind.

1. To impart higher education to the students of this backward region, so that economic backwardness or lack of communication could not retard the academic development of the region.
2. For socio cultural development of various ethnic groups of the region.
3. To create scientific temperament.
4. To provide employment avenue.
5. To promote gender equality.

Immensely concerned about the welfare as well as the intellectual and ethical development of the students, the institution provides value education, coaching and remedial classes besides establishing forums for community development and extension activities, establishing Equal Opportunity Centre, Women Study Centre, Day Care Centre etc. The College is committed to raising standards of higher education in this part of North Eastern India and for us, offering high quality teaching is more than just a priority- it is our *raison d'être*. The University Grants Commission has also conferred the status of **College with Potential for Excellence** (CPE) to this College in 2010. At present the College offers graduate level courses in Arts and Science in twenty (20) subjects besides the self-financed B.C.A course. Based on the need, new courses at UG level have been introduced during the last 5 years. Certificate and short term modular programmes are offered as value addition. Thrust has been given to relevant knowledge, skills, value addition and value based education leading to overall personality. There is very little scope for an affiliating

college to develop new programmes as the academic authority rests in the hand of the affiliating University. Despite this, North Lakhimpur College undertakes environmental survey for the need of new courses, subjects, combinations based on current trends, market and societal needs and student's expectations. Introduction of new inter-disciplinary academic programmes namely P.G. Diploma in Disaster Management (under UGC's Innovative Scheme) and Post B.Sc. Diploma in Plant Tissue Culture and Micropropagation (DBT's Biotechnology popularization Scheme) are the results of such efforts. It provides Certificate and Diploma course in Herbal (Medicinal) Plantation, Information Technology, Repair and Maintenance of Consumer Electric Equipments, Human Rights and Gandhian Studies, Post Graduate Diploma in Plant Tissue Culture and Micropropagation, Disaster Management. The College has also started Major in Hindi from the session 2009-10. The College, with its full potential of about 1500 students in three faculties (Arts, Science, and B.C.A) and 66 permanent and 15 part time teachers, are committed to ensure all round academic and intellectual development of the students by giving them the concept of purity of knowledge. It is, therefore, built around the principle of benevolence providing the students and teachers as many ingredients of perfection as possible within its limitations. The college has developed the philosophy in its obligation towards the society and arouses the students to meet it through value based education. Our unique approach to student learning prepares the students for the challenges of life and work so that they can fulfill their intellectual and personal potential in a way that significantly contributes to each and every role they play in society. The institution is at the cutting edge of teaching and learning and is widely regarded as being foremost in providing a holistic approach to learning in the state and has the prospect of playing a significant role for academic and socio-cultural development of the region. A sound academic environment is the institution's goal which aptly complements its motto- "Let good thoughts come from all directions"

PART A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year:

North Lakhimpur College has established Internal Quality Assurance Cell (IQAC) just after the visit of the NAAC peer team in 2004 (11-12-2004) as per the guidelines of the NAAC. The meeting of North Lakhimpur College Teachers' Unit held on 13th May, 2008 proposed the Principal to compose IQAC for the academic session (2008-2010). Following this the IQAC was formed with the following members with a view to adopt various steps and measures regarding its proper functioning.

COMPOSITION OF THE IQAC:

Chairman :	Dr. Budhin Boruah. Principal, North Lakhimpur College
Coordinator:	Dr. Nabiul Islam
Senior Administrative Officers:	Mr. A. K. Das, ADC, Revenue Md. Jiauddin Ahmed Executive Engineer, P.W.D. Building Division Dr. J .N. Das, Senior Medical Officer, Civil Hospital, North Lakhimpur. Dr. Latu Saikia Chief Scientist, Agricultural Research Station
Members from Management:	Dr. Manuranjan Pandit Principal, Lakhimpur Girls' College Md. Sayeedul Latif Boruah Retired Executive Engineer P.W.D. North Lakhimpur.
Members of Teaching Staff:	Dr. S.N. Phukan, Vice-Principal Dr.N.Dutta Baruah Dr. Golok C. Dutta Dr.M.Puzari Dr. Binita Hazarika

.	Dr.Suresh Dutta Dr.Bhabajit Bhuyan
Member from Local Society	Dr.Prabal Saikia Secretary General, Green Heritage
Member from Local Society:	Dr.Nabin Hazarika Member,Lions Club
<u>Executive Committee</u>	
Chairman:	Dr. Budhin Boruah. Principal, NL College
Coordinator:	Dr. Nabiul Islam
Asst. Coordinator:	Mr. Lakhi Prasad Hazarika Dr. Bhabajit Bhuyan Mr. Diganta HatiBaruah
Office Secretary:	Dr. Raghab Parajuli
Asst. Secretary:	Mr. Hafez Ali Ahmed
Executive Members:	Dr. S.N.Phukan Sri Haren Saikia Chow Chandra Mantche Dr. Arun Kumar Bordoloi
Press Secretary:	Sri Deba K Boruah Sri Arabinda Rajkhowa

The plan of action chalked out by IQAC for the session 2009-10 is as follows:

- To achieve innovations in teaching-learning activities to realize national goals and make 'learning' student-centred.
- Upgradation of all the existing laboratories by incorporating new technologies and instruments.
- To take initiatives to fully automate the central library and make optimum utilization of CD-ROM, INFLIBNET/DELNET facility by the students and faculty.
- To promote extension work to ensure social justice and to empower under-privileged sections.
- To add new infrastructure keeping in view of the increase enrollment.

Major Outcome of IQAC Activities

IQAC has been able to channelise the efforts and measures of the College towards academic excellence. The University Grants Commission has conferred the status of **College with Potential for Excellence (CPE)** to this College in 2010. The science laboratories were upgraded and renovated by procuring new equipments from the assistance of DST, GOI. Library indexing is already initiated. In order to keep pace with the latest information and developments in various disciplines, SOUL packages INFLIBNET facility has been installed in the Central Library. Another state of the art Computer Networking Center with 8 computers was established in 2009. The 1st Floor of Women Hostel and a New Block in Boy's Hostel were completed. A basketball court is being constructed with the financial assistance from Ministry of Sports and Youth Welfare, GOI. The Career Counselling Cell has been redesigned. Immensely concerned about the welfare as well as the intellectual and ethical development of the students, the institution provides value education, coaching and remedial classes besides establishing forums for community development and extension activities, establishing Equal Opportunity Centre, Women Study Centre, Day Care Centre etc during 2009-10.

Part B

Criterion wise inputs for the year 2009-2010

1. Activities reflecting the goals and objectives of the institution:

The College is committed to raising standards of higher education in this part of North Eastern India and for us, offering high quality teaching is more than just a priority- it is our raison d'être. The University Grants Commission has also conferred the status of College with Potential for Excellence (CPE) to this College in 2010. At present the College offers graduate level courses in Arts and Science in twenty (20) subjects besides the self-financed B.C.A course. Based on the need, new courses at UG level have been introduced. Certificate and short term modular programmes are offered as value addition. Thrust has been given to relevant knowledge, skills, value addition and value based education leading to overall personality. There is very little scope for an affiliating college to develop new programmes as the academic authority rests in the hand of the affiliating University. Despite this, North Lakhimpur College undertakes environmental survey for the need of new courses, subjects, combinations based on current trends, market and societal needs and student's expectations. Introduction of new inter-disciplinary academic programmes namely P.G. Diploma in Disaster Management (under UGC's Innovative Scheme) and Post B.Sc. Diploma in Plant Tissue Culture and Micro propagation (DBT's Biotechnology popularization Scheme) are the results of such efforts. It provides Certificate and Diploma course in Herbal (Medicinal) Plantation, Information Technology, Repair and Maintenance of Consumer Electric Equipments, Human Rights and Gandhian Studies, Post Graduate Diploma in Plant Tissue Culture and Micro propagation, Disaster Management. The College has also started Major in Electronics from the session 2008-09. To ensure that the College maintains high standards of education in a student friendly manner, the authority takes feedback at regular intervals from the students and utilizes the data constructively. The practice of taking feedback from academic peers and employer has also been initiated. To further the usages of information technology among students, the College has established two state of the art Computer and Networking Centre with 40 internet browsing

terminals, installed VPN for education in addition to the existing EDUSAT besides encouraging the use of ICT tools in the teaching learning process. The College is also promoting the concept of improving the qualification of faculty members as the number of Ph.D., and M.Phil degree holders has improved in comparison to the level at the first assessment and accreditation. Moreover, the following best practices in various activities can be mentioned:

- Introduction of career oriented ICT enabled courses like courses like Information Technology.
- Establishment of state of the art Computer Networking Center in 2009.
- Providing special coaching and teaching of students to prepare them to sit for highly competitive examinations as per the UGC guidelines.
- Establishment of Women Study Centre to take a broader view of the women's studies constituency by supporting women to pursue study in this region and facilitating them to network with constituents involved in similar work.
- Establishment of "Equal Opportunity Centre" to provide a solid grounding in interdisciplinary studies by emphasizing various aspects of social and cultural life in relation to other social divisions and inequalities.
- Remedial classes to slow learners and challenges to advanced learners.
- Involvement of academic experts, experts from industries and central Universities in Post B.Sc. diploma course.

01. New academic programmes initiated:

As the curriculum is provided by the university, there is no provision for the college to modify the syllabus, as such no mid-course correction is possible. The curriculum is decided by the university. However, the college aims at equipping the students with the diverse knowledge and exposure to meet the global challenges, so that they can develop confidence to face the real life. The college believes that by providing hand on training in ICT, it can assist the students in developing an awareness of cutting edge careers. The College has recently started a certificate course in "Information Technology" under the UGC's scheme of COP. The students pursuing the BCA course in the College have been provided with both basics and advanced skills in computer usage and applications. In addition to the existing EDUSAT, installation of VPN for education, usage of ICT tools in teaching, learning and evaluation works in the college is a positive step in helping the students community to compete in the global employment markets

Short term courses on Computer Science have been conducted to impart basic ICT enabled skills among all the students. New Certificate course in Gandhian Thought has been introduced in 2010 as enrichment course.

02. Innovation in curricular design and Transaction:

As the college is affiliated to Dibrugarh University, the frequency and the basis for syllabus revision is carried out by the Board of Studies of the said university. The last major revision made by the university introduced Internal Assessment in the final evaluation of a student. However, most of the senior faculty of the College are members of Board of Studies of the affiliating University. The College has started Major in Electronics and pass course in Home Science.

03. Interdisciplinary programmes started:

- The College has recently started a certificate course in “Information Technology” under the UGC’s scheme of COP.
- New Certificate course in Gandhian Thought has been introduced in 2010 as enrichment course.
- Short term courses on Computer Science have been conducted to impart basic ICT enabled skills among all the stakeholders.

05. Examination reforms implemented:

The college follows the instructions formulated by Dibrugarh University at degree level. However, the institution arranges monthly Unit Test and one Terminal Test during specific time schedule to update the academic skills of the students. Further, every department of the college organizes seminar involving students of the major classes twice in a month. Intimation to parents-guardians about the marks secured by students in University examinations, unit/sessional tests and attendance of students is also made.

06. Candidates qualified for NET/SLET/GATE etc.

As an under graduate college, no regular students can appear in the NET/SLET examination. However, a good number of pass out students have cleared such examinations. One teacher namely Mintu Neog of Political Science Department of this College has cleared SLET examination in 2010.

07. Initiative towards faculty development programme:

The college has taken a few initiative measures for the faculty development with financial assistance from UGC and other sources & through self-finance.

- (i) Encourages faculty members to participate in Refresher Courses, Orientation Programmes.
- (ii) Recommends the teacher to apply for MRP.
- (iii) The College has the provision of giving study leave to interested teachers to pursue research works leading to Ph.D or M.Phil. by adjusting their teaching schedule without hampering the normal academic atmosphere of the college. Many faculty members are doing research towards their Ph.D or M.Phil degree in Rajiv Gandhi University, Arunachal Pradesh; Gauhati University, Assam; Tezpur Central University, Assam, and also under Distance Education System of various Universities
- (iv) Encourages attending Seminars, Workshops, and Conference etc.
- (v) Organizes Seminar, Workshop, Training Programme etc to provide linkage with persons of national & international reputation so as to update the faculty members with recent trends & information & developing their skills by way of interaction & exchange of views.
- (vi) Encourage faculty members to express their views & noble thoughts by publishing articles & other writings.
- (vii) Involves teachers for all round development of the college.

08. Total numbers of Seminars/ Workshops etc. conducted:

(1) A workshop on “ Community based Disaster Management” in collaboration with Central university, Tezpur was organized from 26th August, 2009 to 28th August, 2009
(2) Women cell of the college organized a popular talk on “ Legal Right of Women” on 29th August, 2009. That talk was delivered by noted Advocate of North Lakhimpur Bar association, Mrs. Minakshi Buragohain. (3) On 5th September 2009, on the occasion of teachers day students union of the college organized a day long function to felicitate all the teachers. (4) On 27th December 2009, 23rd Golap Sarmah memorial North East Inter College/ Universities Debating Competition was organized by Debating and Symposium section of North Lakhimpur College Students Union at North Lakhimpur College auditorium.

09. Research Projects:

The lists of ongoing Research Projects are given below:

Sl No	Year	Type and financial outlay	Funding Agency	Name of Investigator
01	2008-2011	Major (Rs 1.28 lacs)	UGC	Dr. Namita Dutta Department of Political Science
02	2008-2010	Minor (Rs 0.55 lacs)	UGC	Ms. Mowchumi Chetia Department of Assamese
03	2008-2010	Minor (Rs 0.50 lacs)	UGC	Sri Arabinda Rajkhowa Department of Assamese
04	2010-2012	Minor (Rs 1.3 lacs)	UGC	Sri Sarat Doley Department of English
05	2010-2012	Minor (Rs 1.0 lac)	UGC	Sri Dhanaranjan Kalita Department of Assamese
06	2009-2011	Minor (Rs. 3 lacs)	NECRD, (EDNER Unit, IGNOU)	Dr. Bhabajit Bhuyan Department of Chemistry

10. Patents generated, if any : None

11. New collaborative research programme:

Although the College has not yet signed any MOU with other institutions for collaborative research works, the teachers of various departments have been able to build linkages with reputed institutions through their research activities. As part of CPE Scheme, the College has started to constitute a “Disaster Management Cell” in collaboration with GOs, NGOs to build a corpus of trained people who can render valuable services in the time of crisis to minimize the affect of natural calamities. The Cell will also try to develop a database-driven information system for Disaster Management Authorities (DMA), NGOs and other organisations. We will also appeal to NGOs, relief workers, DMAs and individuals to share their experiences and volunteer services and resources to develop the proposed database. The College also encourages its faculty to undertake research projects in thrust areas not only at the regional level but also at the national level although the College is not a research institute. As such some teachers are engaged in doing research in some multidisciplinary areas of present interest. Within the limited scope available for research activities inside the College, some of the faculty members are able to contribute to the subject knowledge and community developments through their research findings published in various research journals of international and national repute.

12. Research grants received from various agencies:

Sl No	Grant Amount	Funding Agency	Name of Investigator
01	Rs 1.28 lacs	UGC	Dr. Namita Dutta Department of Political Science
02	Rs 0.55 lacs	UGC	Ms. Mowchumi Chetia Department of Assamese
03	Rs 0.50 lacs	UGC	Sri Arabinda Rajkhowa Department of Assamese
04	Rs 1.3 lacs	UGC	Sri Sarat Doley Department of English
05	Rs 1.0 lac	UGC	Sri Dhanaranjan Kalita Department of Assamese
06	Rs. 3 lacs	NECRD, IGNOU	Dr. Bhabajit Bhuyan Department of Chemistry

13. Details of Research Scholars:

North Lakhimpur College is not a research institute and hence research students are not admitted. However, the following teachers are recognised by Various Universities like Madurai Kamraj University, Vinayaka Missions University as M.Phil Supervisor.

1. Dr. Namita Dutta, Department of Political Science.
2. Dr. G. C. Dutta, Department of Education.
3. Dr. Muhidhar Pujari, Department of Physics.
4. Dr. Biman Chetia, Department of Mathematics.
5. Dr. Binita Bhagawati, Department of Education.
6. Dr. Lakhi Nath Pegu, Department of History.
7. Dr. Jiten Dutta, Department of Electronics.
8. Dr. Suresh Dutta, Department of Economics.
9. Dr. Bhabajit Bhuyan, Department of Chemistry.
10. Dr. Chitta Ranjan Borah, Department of Botany.
11. Dr. Debajit Boruah, Department of Anthropology.

14. Citation index of faculty members and impact factor:

The members of the faculty publish their research papers in refereed journals (international as well as national) in foreign journals and in Indian journals, the impact factor and citation indices are available with the individual faculty members of the respective Department.

1. Bhuyan, B., 2010, "*A Study on Arsenic and Iron Contamination of Groundwater in Three Development Blocks of Lakhimpur District, Assam, India*", Report and Opinion, Marsland Press, USA, 2(6), 82-87.

15. Honors/ Awards to the faculty members:

Dr. Bhabajit Bhuyan was recognized as reviewer of some international journals published by Springer and Elsevier.

16. Internal resource generated:

The college generates resources by the following ways -

1.	Students contribution –	Rs.2,00,000
2.	Nursery –	Rs.2,000
3.	Revenue from COC -	Rs.25,500
4.	Revenue from Self-financing Course	Rs.1,00,000.00

17. Details of Departments getting SAP.COSIST (ASSIST)/DST/FIST, etc. assistance / recognition:

Under Centre for Potential Excellence (CPE) scheme, the College has been awarded an amount of Rs. 1.0 crore by UGC. Similarly another Rs. 50. lacs has been released by UGC for development of 10 Science Department under BSR scheme. UGC has sanctioned Rs. 64,46,000.00 under various schemes. Department of Science and Technology has sanctioned Rs. 50 lakh for infrastructure development of science faculty under FIST programme. The 2nd phase of this grant was released in 2009-10. Further

department of Bio-technology has sanctioned nearly rupees half crore for introducing diploma course in Plant Tissue Culture and Micro-propagation. Rs. 5,04,015.00 has been sanctioned by Govt. N.S.D.F for constructing a basket ball court. Rs. 10,000.00 was released by UNDP for holding a workshop.

18. Community Service

The College encourages the faculty members and the students to devote time for Community Services so as to develop civic social responsibility and attachment to the local and external socio economic and socio cultural environment. The students of North Lakhimpur College are taught about their civic responsibilities through various extension programmes of NSS and NCC. The college gives priority to promote social responsibilities and citizenship amongst the students through co-curricular and extracurricular programmes. The college also arranges special talks by experts to promote value education, social service, and community orientation. The initial focus of activities of the newly established “Equal Opportunity Centre” at North Lakhimpur College is to provide a solid grounding in interdisciplinary studies by emphasizing various aspects of social and cultural life in relation to other social divisions and inequalities like poverty, illiteracy, lack of independence, oppressive social customs and gender bias among the SC/ST/minorities & women students. The centre is believed to play a vital role in academic progress through its short term course which will be commenced at the beginning of the session to help the SC/ST/minorities and women student of the college to build leadership, communication, decision making and problem solving skills.

The college involves all its stake holders in various community development programmes like health and hygiene, environmental issues, usage of rural technology, literacy, dignity of labour and social service. Such extension activities have significant impact on the community and will help in improving the lifestyle of the community, particularly in rural areas. Community participation in programmes like celebration of Independence Day, Republic Day, National AIDS Day, College Foundation Day, Gandhi Jayanti, Sankardeva tithe, Swaraswati Puja and so on are also highly encouraged.

The various activities performed by the NCC wing of the College during 2009-10 are:

- a) Combined Annual Training Camp held from 19th to 28th November, 2009 at Tezpur in which 22 cadets participated. One Cadet got Alpha Grading among all the participating cadets.
- b) National Integration Camp held in Ranchi in September, 2009.
- c) National Integration Camp held in Kohima in July, 2009.

The various activities performed by the NSS wing of the College during 2009-10 are:

- I) Social service Programme: Total 100 volunteers of N.S.S wing North Lakhimpur College had complete a cleanliness inside and outside the college campus. The college authority provided the required financial assistance for the programme.
- II) N.S.S. Mega summer programme: Two N.S.S. volunteers of North Lakhimpur College, Sri Nabadeep Chamuah and Sri Pabitra Doley participated in N.S.S. Mega Summer camp from 22nd 2009 to 3rd July at Sriperumbudur in Channai. They also participated in an educational tour to Kerala and Kanyakumari.
- III) World AIDS day observed: On 11th June 2009 a total 120 N.S.S. volunteers of North Lakhimpur College participated in various programmes of world AIDS day, organized by District Health Service Department.
- IV) Flood Relief Programme: More than 100 volunteers of N.S.S. wing of North Lakhimpur College participated in the Disaster Management Programme with Programme Officer, and help the flood effected people in different ways. This programme was organized by Geography Department, North Lakhimpur College on 24th to 27th July at Dolohar, North Lakhimpur
- V) Tranning Programme on Social Harmony and National Unity: Mr. Dimbeswar Das has participated as a programme officer in the training programme on Social Harmony and National Unity, held Guwahati from 16th to 21st March , 2009.

19. Teachers and officers newly recruited:

The following teachers are recruited during the academic session 2007-2008.

1. a) Recruited against sanctioned post –

Sl. No	Name	Department
1.	Bornali Borah	Philosophy
2.	Hemanta Sarma	Assamese

b) Recruited against non-sanctioned post- NIL

c) Recruited on contractual basis-

Sl. No.	Name	Departments
1	Sri Tapan Borgohain	Mathematics
2	Sri Anil Borah	Botany
3	Md. Sagir Hussain	Geography
4	Sri Gautam Saikia	Computer Sc.
5	Ms. Jitumoni Mudoj	Electronics
6	Ms. Mahmuda Begum	Physics
7	Ms. Ritu Hazarika	Home Sc.
8	Ms. Minakshi Chetia	Home Sc.
9	Sri Arup Hazarika	Anthropology
10	Ms. Archana Saikia	Anthropology
11	Sri Pallab Gogoi	English
12	Dr. Parishmita Bordoloi	Hindi
13	Ms. Jharna Dutta	Political Sc.

21. Improvement in the Library service

The library has grown and progressed over the years incorporating technological innovations in its day to day working. Library is offering access to email, and the Internet. The process of computerization is going on. Library indexing is already initiated. In order to keep pace with the latest information and developments in various disciplines SOUL INFLIBNET facility is installed in the library. New computers are also added.

The College purchase books and journals through its Library Committee. The Library Committee periodically holds meetings and invites demand list from each departments and approves the list after proper verification. A good number of books and journals have been added during this year. The library provides materials for undergraduate as well as professionals and scholarly researches.

22. New Books/ Journals subscribed during 2009-2010 and their values.

Items	The year before (2009)	Last Year (2009-10)	Total Cost (Rs.)
	Number	Number	
Text books	492	1,518	5,08,881.00
Reference Books	50	52	47,392.00
Other books	59	58	2,730.00
Journals/Periodicals	03	03	3,650.00
Encyclopedia	07	02	41,057.00
Total			603710.00

23. Courses in which student assessment of teachers is introduced and action taken on student feedback:

North Lakhimpur College encourages its student to take active part in quality sustenance. Student feedback on course, subject, syllabus, grievance redressal and their expectations are considered seriously for quality improvement. Student assessment of teachers was introduced in the TDC 1st year Arts, Science and Diploma Courses. A specially designed proforma was supplied to each student and asked them to write their grievances. Secrecy was maintained at the time of feedback. The college authority responded to the feedback of the students and the following measures have been taken up to fulfill their requirements.

- Introduction of new career oriented course in Computer Science, Information Technology.
- Introduction of P.G. Diploma Courses.
- Appointment of contractual faculty to taught specific subject area.
- Invitation of Guest faculty to deliver popular talk.
- Organization of Career Guidance Seminar.
- Introduction of remedial/tutorial classes.

24. Unit cost of Education:

Unit cost = total annual expenditure budget (accruals) divided by number of students enrolled.

(a) Including the salary component = **Rs. 30,788.04 [3,62,37,522/1177]**

(b) Excluding the salary component = **Rs. 2,206.88 [25,97,496/1177]**

[However, since the College has students of 10+2 classes numbering 765 so the actual unit cost will be

Rs 18,659.90 (including salary)

Rs 1,337.54 (excluding salary)]

25. Computerization of administration and the process of admission and examination results:

Networking is of immense academic utility. A Virtual Learning Resource Centre will be established with excellent state-of-the art computer facilities having Internet connected computer terminals to provide access to e-material and resources under the CPE Scheme. Proper initiations have already been made to digitalize the whole College Campus. Till now, the Admission Process and Cash receipts have been completely computerized. A part of Examination works like marks entry, seat plan, Top-sheet, invigilation duty list etc. have also been computerized. New University Registration are made through specific computer software supplied by the University. Students database is carefully maintained. University Examination results are hosted in the website. Marks entry in Examination Zone of N. L. College is entered through software supplied by the University. The process of administration is transparent and computerized in the year 2006.

26. Increase in the infrastructural facilities:

To keep pace with the needs and requirements of the College, additional infrastructure has been added over the years. In the last year, following infrastructure has been developed.

- Women Hostel (Rs. 35.00 lakhs by UGC)
- Construction of New Block in Boy's Hostel (Rs. 10 lakhs funded by Govt. of Assam)
- UGC- Networking Centre (Rs. 1.60 lacs by UGC + Computers funded by DST)
- Renovation of existing laboratories of five Science Departments (Rs. 5 lacs funded by DST under FIST Programme)
- Extension of class rooms (Rs. 13.5 lacs funded by UGC under Development head + Rs. 5 lacs from own fund)
- Construction of Basketball Court (Rs. 14 Lacs funded by Ministry of Sports and Youth Welfare, Govt. of India)
- Supply of equipments to five science laboratories (Rs. 45 lacs funded by DST under FIST Programme)
- Construction of Girls' Common Room Toilet (Rs.2 Lacs funded by UGC under XI Plan)
- Purchase of Equipments and Teaching Aids including computers (Initiated under CPE Programme)
- Installation of a Transformer and a new power line inside College Campus (Rs. 4.0 lakhs, own fund).
- Remodelling of College Career Counselling Cell (Rs. 2.0 lakhs funded by UGC)
- Establishment of a centre for coaching for competitive examination (Rs. 2.0 lakhs by UGC)

27. Technology up gradation:

- Establishment of UGC- Networking Resource Centre.
- Establishment of DST-Computer Centre
- Use of Information Technology in enhancement of quality such as use of internet and Eduset.
- The North Lakhimpur College Students' Election Process is fully computerized by developing a new software. The software has been developed by Mr. Ranjit Paul, HOD, Computer Science.
- Installation of automated Weather Station.

28. Computer and Internet access and training to teachers and students:

To further the usages of information technology among students, the College has established one state of the art Computer and Networking Centre with 10 internet browsing terminals in addition to the existing one with 30 terminals, installed VPN for education in addition to the existing EDUSAT besides encouraging the use of ICT tools in the teaching learning process. Students of the college are provided with free internet facility and free access to EDUSAT. Almost all the departments are provided with computers and LCD projectors. LAN links of the administrative block has been completed.

29. Financial aid to Students:

Financial aids to students are provided by the central and state governments in the form of National Scholarship, State Merit Scholarship, Scholarships to SC/ST /OBC/MOBC students. Further local MLA give Rs. 5000/- each to the students who secured 1st class 1st position in university examination. The award is also given to the students who showed outstanding performances in sports and culture at state and national level.

Financial support for students: (2009-10)

Endowments:

Freeships:

Num ber	Amount
NIL	NIL
12	Rs. 24,450/-

Scholarship (Government)

Scholarship (Institution)

Number of loan facilities:

Any other financial support (Specify) UGC Scheme

a) Stipend for economically deprived/BPL card holder

b) Special Equipment for differently-abled persons

902	Rs. 21,04,157/-
10	Rs. 18,000/-
NIL	NIL
20	Rs. 1,20,000.00
01	Rs. 3,000.00

30. Activities and support from the Alumni Association:

The alumni contribute generously to the development of the college. The Association takes up different positive and quality oriented measure from time to time and renders active cooperation to the college management towards implementing various programmes. A large number of members of the association generously provide financial aid to the authority as and when situation demands, which are utilized in the development of various infrastructure and other facilities. The main objectives of the association is to keep in close touch with the college and to organize seminars, talks, symposia, conferences, cultural and other programme in the college, from time to time, in order to inspire and educate the current batches of students and exchange views and ideas. They also provide the feed back to the college to reshape the present teaching and learning programmes to suit the new job requirements.

31. Activities and Supports from the parents- teachers association:

The parents/ guardians have a major role in enhancing the academic environment of the college. The association has been very active in dealing with matters related to the academic well being of the college family. At present the association has about 500 members with Mr. Sarat Ch. Chelleng as President and Mr Golap Hazarika as Secretary.

32. Health Services:

The health services in North Lakhimpur Colleges take utmost care towards the maintenance of health and hygiene of the college. The health care center of the college is run by few faculty members and students. The unit arranges “Health Checkup Camp” for the students and staff. Various programmes and activities like yoga, physiotherapy are arranged of them with active cooperation of the doctors.

33. Performance in Sports activities:

Games and sports are integral part of education and it influences the physical and mental development of the students. The college has provided a massive playground within the campus to facilitate students for outdoor games and athletics. Minor games facilities

like table tennis, badminton, carom, and chess are also available for the students. The college has a well equipped gymnasium club.

The games and sports scenario of the college has been quite encouraging during the past one year. A few achievement of the students of the college are cited below:

Achievement of the college in D.U. Youth Festival, 2010, held at Duliajan College during 8th, 9th, 10th & 11th January, 2010.

- a) Tabla 1st position by Sri Hemanta Borah (Gold)
- b) Loko Geet 1st position by Sri Akshya Gogoi (Gold)
- c) Gitar 2nd position by Sri Kanan Gogoi (Silver)
- d) Flute 2nd position by Sri Nabajit Saikia (Silver)
- e) College Magazine 2nd position

Achievement of the college in Inter College Cricket Competition held on (final) 30th Dec,09

- a) N.L. College Champion of DU
- b) Sri Pabitra Doley Man of the Series
- c) Sri Bhupen Hazarika Man of the Series
- d) Sri Bikram Chetry Ranjit Trophy Player
- e) Sri Mridul Dutta State player
- f) Sri Prasanta Bhuyan State player

Achievement in Debating Competition

- a) Golap Sarmah memorial North Eastern Region Inter College/University Debating Competition held on 29.12.09 at N.L. College

Sri Raktim Saikia: Best Debater

N.L. College: 2nd Best Team

- b) Golap Gogoi Memorial Debating Competition held at Dhakuakhana College on 19.11.09

Sri Mintu Saikia: Best Debator

34. Incentives to out standing sports persons:

The college has awarded Rs.500 to each player of the victorious cricket team for their performance in the Inter College Cricket Tournament. Further, the local MLA has

presented a track suit to each player. The College has also provision to offer Medals, Cash Prize, exemption of monthly dues and TA/DA for students participated in various Sports events like Inter College, Inter University, National level etc.

35. Students achievement and awards:

North Lakhimpur College has been able to prove its quality level of academic potentiality by the brilliant results of the students in various levels of examinations. The academic environment and traditions followed consistently ensured its quality level and it is invariably reflected by the brilliant results of the final examination conducted by Dibrugarh University and Assam Higher Secondary Education Council.

As many as 34 students in the science stream secured 1st class in various major subjects and 50 students in the arts stream in the TDC Part III exam 2009 - 2010. Moreover, three students 1) Miss .Juri Borah of the Department of Anthropology ,2) Sri Bidyut Borah, Department of Political Science , 3) Miss Lakhi Chetia, Department of Physics and 4)Antara Sarmah, in BCA, Department of Computer Science secured 1st Class 1st position during the same session.

36. Activities of the Guidance & Counseling Unit:

The Career and Counseling Cell is a student service of North Lakhimpur College. Since its founding in 2004 as a non profit Centre under the aegis of the College, the Center has provided services that meet the career development and educational needs of students of North Lakhimpur College. The Cell has been restructured in 2010 with the financial assistance from UGC under the XIth Plan. Since then it has started functioning as per the UGC's directives. Following are the activities of the Cell during 2009-10:

- Interactive Session on Career Guidance in collaboration with NIIT, Ganeshguri Centre on 21st April, 2010.
- Interactive Session on Career Guidance in collaboration with Jetwings, Guwahati on 09-05-2010

37. Placement services provided to students:

- The Career and Counseling Cell has conducted a Common Employability Test (CET) and interview for campus placement in IT Industry. Following is the list of students securing “A” grade:

Name	Stream	Total/50	Grade
Pubali Borghain	Arts	25	A
Pankaja Dutta	Science	27	A
Tanmoy Dutta	Arts	27	A
Debashis Kashab	Arts	25	A
Manoj Sharma	Arts	26	A
Bhaskar Borah	Arts	26	A
Nabadeep Chamua	Science	25	A
Smita Bharadwaj	Arts	27	A
Barnali Baruah	Arts	25.5	A
Shamima Parvin	Arts	28	A
Nitamoni Deori	Arts	25	A
Total A Grade	11		

38. Development programmes for non- teaching staff:

The college provides computer-training facility to the non-teaching staff through the computer-training scheme introduced at the college.

The college has provided financial assistance to non- teaching staff to learn Tally and other office software.

39. Healthy Practices:

- Thrust to progression to higher education.
- Scope for grievance redressal.
- Scope for sports and cultural activities.
- Faculties of Computer Science Department are involved in facilitating student access to ICT enabled technologies at the College.

- Alumni students are involved in College development.
- Special Camping Programme/activities are an integral part of the NSS and NCC.
- Counseling on Career Planning, and Higher Studies.
- Ensuring good students support – academic, infrastructure, finance and co-curricular activities.
- Good results and significant progression to higher education.
- Purchasing of modern instruments and teaching aids.

40. Linkages development with National/ International, academic/ research bodies:

The College offers various UG courses under KKHSOU, IDOL, G. U and Distance Education, D.U by establishing Study Centre for the benefit of its ex students as well as drop out, employed, economically poor and overaged students.

Over the years North Lakhimpur College has been able to collaborate with some of the institution of national repute for all round academic development of its students. The College hosted a workshop in collaboration with UNDP specially to aware students about the human rights. Moreover, the students pursuing the DBT sponsored Post B.Sc. Diploma Course in Tissue Culture and Micro propagation were also trained in NIST (CSIR), Jorhat. The College also offers various courses under IGNOU (ODL) as its partner institute. Positive talks are going on with some industrial unit like Nagaon Paper Mill, Jagiroad for creating employability of students pursuing the DBT sponsored Post B.Sc. Diploma Course in Tissue Culture and Micro propagation. The Career and Counseling Cell has also started to hold campus interview for leading MNC's in IT Sector like WIPRO. Dr. Bhabajit Bhuyan was recognized as reviewer of some international journals published by Springer and Elsevier.

Part C

Plans of the Institution for the next year:

The future destination of North Lakhimpur College are to "disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit and by examples of its corporate life to make provisions for integrated courses in natural, physical and social sciences in the educational programmes of the college; to take appropriate measure for promoting inter-disciplinary studies and research in the college; to educate and train manpower for development of the nation; and to pay special attention to the improvement of the social and economic conditions and welfare of the people of the country, their intellectual, academic and cultural development". North Lakhimpur College with such plans looks forward for further development in the next year so that it can establish itself with near perfection as a base to provide meaningful and quality education. In order to attain such objectives it has adopted a strategic plan with the prospect of multiple effects. The college has prepared a master plan for the next year to add more to its existing infrastructure and to maintain them properly for their optimal use. Some of the Plans are:

- Proper implementation of CPE Plans and Programmes
- To apply for a new Women Hostel
- To construct an indoor stadium.
- To construct an additional Cafeteria.
- To fully digitalise the whole college campus.
- Extension of class rooms to increase intake capacity.
- To setup a new Conference Hall.
