Date:30/4/2025

## Admission Notice 2025

(Undergraduate and Integrated Programs)

The application process for admission into the first year of **B.A (FYUGP)/ B.Sc.(FYUGP), Integrated M.A./M.Sc. (ITPG), Integrated B.A. B.Ed./Integrated B.Sc. B.Ed. (ITEP), BCA, B.P.E.S, and B.Voc. (Travel and Tourism Management)** for the session 2025-26 on **North Lakhimpur College (Autonomous)** has been started online through the **e-Samarth portal** of Department of Education, Govt. of Assam. While filling up the application forms, applicants should note the following points.

1. Applicants wishing to **apply for multiple programs** must submit a **separate form for each program**. For instance, if an applicant wants to pursue B.A/B.Sc. or integrated M.A. or integrated B.A. B.Ed. with Economics as the major subject, they must submit separate forms for each program.
2. The departments in the college which offer **Integrated M.A./M.Sc. (ITPG)** courses are **Assamese, Botany, Chemistry, Economics, Education, Electronics, English, Physics, Political Science and Zoology**. Admission for these courses will be based on percentage of marks scored in HS/10+2 level examination.
3. For **B.A. (FYUGP)/B.Sc. (FYUGP)** courses, **20% of seats** will be allocated based on the **CUET score**, while the remaining **80%** will be filled based on **marks obtained in class XII**. Candidates appearing in CUET must also **apply through the e-Samarth portal**.
4. Applicants can select **only one subject as the major/honours in one application form**. They may **apply separately** in the same portal for **second, third, or fourth** alternative major subjects.
5. The shortlisting of applicants for preparation of merit list is to be done following admission policy-
  - a) If an applicant applies for both the Integrated Master's Programme and the Bachelor's Programme, the Integrated Master's Programme will be treated as the first preference.
  - b) If an applicant applies for multiple major subjects within the same programme, the subject with the higher preference will be considered for shortlisting if name is expected to appear in more than one subjects. **(For example, if an applicant submits two applications for the B.Sc. programme—one with Physics as the first preference and another with Mathematics as the second—he/she will be considered for shortlisting in Physics.)**
  - c) If the tie still persists, the marks obtained in the subject applied for as the major will be considered.
  - d) If the tie remains even after this, the percentage of marks obtained in the Class 10 examination will be used as the final tie-breaker.
6. Applicants seeking **hostels** must **apply through the Google Form** available at <https://forms.gle/QUFQeSUgZ2ebbXir7> (also accessible on the college website <https://nlc.ac.in>).
7. For admission under the **EC quota**, applicants must submit an application form along with essential evidence to the principal, besides applying through the e-Samarth portal.
8. The fees structure and other details are to be notified later on. Applicants wish to avail fee-waiver scheme (Free-admission) of Government of Assam are advised to follow the Office Memorandum and Orders issued by the Govt. Department.
